Monthly participation is expected of **ALL** parents, private and charter. Since charter parents have the benefit of paying no tuition, their participation is needed to help offset the state's funding shortfall for the charter school, and makes it possible for this opportunity to continue to exist for their children.

Each payment is **due on the 15th of the month**. A late fee of \$15.00 must be paid for payments made after the 15th of the month.
